A Word from Mr. Allen ~

Welcome back friends and family. I hope everyone enjoyed the first week back to school and can find time to recuperate this weekend.

I want to take a moment and thank everyone for their cooperation and patience this week with our new traffic plan. I am hopeful the layout was both clear and easy to follow.

Based on what I observed this week we will be adding a few signs, labeling a few stalls, and painting a few curbs in the near future. Our goal will be to further improve the flow and minimize the congestion areas. I encourage parents in EE and Elementary to provide feedback. How is the change and what was a challenge, if any? I am not able to create a plan for every instance, but I think we are close to best case scenario. Send comments to: <http://www.go-vcs.com/contact/contact.aspx?ref=5200>

A quick reminder: The parking lots behind FBC (South East corner) are for use by FBC staff and will remain closed for VCS families this year. We have removed the crosswalk between FBC and VCS at the afternoon carpool pickup and will not be providing traffic control at this point. Parents picking up children are encouraged to use the parking behind the MP or the Davis Street main lot.

Friendly Alert: Even though we are a private school, traffic laws can still be enforced at anytime. We are performing many inspections and drills throughout the year which will require City Emergency Workers to be on campus (FD, PD). Please be aware of your decision when you park illegally, even if it is just for a second, you may receive a citation.

Again, I thank each parent for the support and the commitment to Christian Education! I look forward partnering this year and many more to come.

Blessings,
