## NATIONAL SEAT CHECK SATURDAY

**09/24/11**

Come to a **FREE**  
Car Seat Check-Up  
Saturday, September 24  
8:00 a.m. to 12:00 p.m.

Your child is counting on you. It's important to make sure children are always properly restrained in a motor vehicle. Children must be restrained in a child safety seat until the age of six or until they weigh 60 pounds. Don't put your child at risk! Make an appointment to have your child safety seat inspected. A Trained NHTSA Child Passenger Safety Technician will teach you how to secure your child in your child safety seat and how to install the seat in your motor vehicle.
