Dear Parents,

Report cards are coming home today. Please let me know if you have any questions. I would be happy to meet with you if you would like to discuss your child's progress.

On Wednesday, we will be going on our field trip to the Nugget Market and the Solano County Library. Each student needs to bring a sack lunch and a booster seat if they are riding with another parent. It is likely that it will be raining; therefore we will probably be having our lunch in the classroom. **There will be class when we return to school on Wednesday.**

Thank you for your participation in Spell-A-Thon. To encourage the kids to participate, once they get 5 sponsors, they will get a lollipop. They can either show me their sponsor envelope or you can send a note.

Throughout January, we are learning about the importance of missionaries and how we can all be missionaries here at home. During this time, we will take an offering during chapel for a designated mission project.

## The Learning Corner

**Language/ Phonics** -We will review concepts we have learned so far this year. We will also focus on phonics charts 6-12.

**Social Studies**- Our multi-cultural emphasis this month is on Asia and we will be focusing on Japan.

**Science**- We will complete our unit on the scientific method.
