The Munar Messenger

For the week of January 16, 2012

VCS 446-1776 Ext 5035

rmunar@go-vcs.com

Bible Verse

Luke 6:37

Forgive and you
will be forgiven.

The children have grown and matured so much over the past several months. It is amazing how fast they learn! As we progress further into first grade, the expectations will be raised both academically and behaviorally as they are preparing for their transition to second grade. I looking forward to watching them succeed!

Congratulations to Nicolas McCormick for receiving this week's chapel award.

Meaning

When I forgive
others, God for-
gives me.

Blessings,

Mrs. Munar

9. chalk
10. baseball
11. rainfall
12. sidewalk
13. cornstalk
14. your
15. from

Fieldtrip

On Monday, January 2^{6th} we will be going on a field trip to Nugget Market and the Solano County Library. Depending on weather, we will also have our lunch on the grounds of the Vacaville Community Center. The permission slip is due no later than Wednesday, January 18th.

Because of the new state law, all students will need to have a booster seat to go on the field trip. If a parent is not driving, be sure to drop off your child's booster seat in the classroom on the morning of the field trip.

Missions Month

Throughout January, we are learning about the importance of missionaries and how we can all be missionaries here at home. During this time, we will take an offering during chapel for a designated mission project.

Spell-A-Thon

The packet for this year's Spell-A-Thon is in your child's Friday folder. This is a very important fundraiser for VCS and we are encouraging everyone to participate. Please see the packet for more details.

Learning Center

Language: We are studying phonics charts 6-12. We will continue learning about root words, how to add a suffix that starts with a vowel, and how to alphabetize words.

Math: We will learn how to count by threes. We will also learn the time concept of quarter past the hour and forty-five minutes past the hour.

Science: We will continue learning about the water cycle.
