I pray everyone had a wonderful Christmas and New Year. May you all have a peaceful, prosperous 2012!

Blessings,

Mrs. Munar

Mystery Reader

Thank you to Mrs. Burgess for coming into the classroom and being the Mystery Reader this week. The children enjoyed the book and your visit!

Computer Class

Beginning the third quarter, January 18th, the kids will be attending computer class with Mrs. Toca on Wednesdays from 12:15-1:00. The kids always look forward to their computer time each week and learn a lot in the class. I sent home the Technology permission slip today for participation in the class. Please return it by Monday.

I will be making a change to our routine for reading groups and reading homework. We will no have reading groups on Wednesday. We will move reading groups to Tuesday. The children will now have reading homework on Tuesday, along with their normal written homework. That leaves them with no reading or written homework on Wednesday.

Missions Month

This month is "Missions" month. We will have a special focus on Missions during chapel and in the classroom. We will also be taking a special missions offering each week during chapel. Our class has adopted the Miss. Gina De Leon as our class missionary. She is spreading the Word of God in Ecuador.

Learning Center

Language: We are studying phonics charts 6-12. We will learn how to put words in alphabetical order and continue to learn to add suffixes to words.

Math: We will learn how to count by threes. We will also learn the time concept of quarter past the hour and forty-five minutes past the hour. We will continue to review the dollar and half dollar and how to add three numbers together. Keep studying those math facts!

Social Studies: This month, our multicultural emphasis is on Japn. We are also learning about Martin Luther King, Jr.

Science: We are learning about the water cycle and the scientific method.
