Mrs. Kimbel received her BA and life-time teaching credential from the University of Luenburg in Germany, which was evaluated into an American teaching credential. She also has an ACSI Standard Teaching Certificate. Mrs. Kimbel has 14 years of national and International teaching experiences in public and private schools in grades K-10. She truly has a heart for missions and different cultures due to her experience as an interpreter in the missions field working with international outreach teams.

Mrs. Kimbel says, “It is a blessing and an honor to be part of a ministry that touches young lives for Christ’s purpose. I love to encourage my students and their families to approach everyday life challenges with spirit filled and positive choices.”
