For the week of
December 5th

EL-4 News

Dear Parents,

Please send in your items for our Joy in a Box Christmas Community Project by Friday December 9th. Thank you so much for helping to extend the love of God into the world. What a wonderful testimony it is for my students to see that their families are reaching out to needy families in our community.

We are having a lot of fun with cursive in our second grade class and your children are doing wonderful. We are also **preparing for multiplication** in math. If you are looking for that last Christmas gift for your child, multiplication flash cards or games for facts 1-5 would be a wonderful idea.

I am so proud of my students of how eager they are participating in our writing units in language. **I am very blessed with a great group of students this year.**

Remember that our book exchange Christmas party is on December 16th. Last week your children received the name of a classmate that they give the books to. (Please, don't spend more than

\$5 and make sure that the book content goes along with VCS standards.)
