## BEALL 3RD GRADE CAMP

### LEARN-A-LOTTA NEWSLETTER

January 23-27, 2012

We will review lists 13-17

#### Special Announcements~

1. **Our Chapel Presentation this week was a wonderful success!** I am pleased with how well the class did. Thank you so much for coming!
2. **Uncertain weather is coming our way~** Please send your child with coats and or umbrellas on days when it is raining or it is going to rain. We often have a long way to going from our classroom to different places on campus Children get soaked and end up being cold if they don't have outerwear to protect them from the elements. Your help with this is so appreciated.
3. **Report Cards are coming home today!** I am so proud of the student's progress up to this point. I have also really appreciated your support and partnership so far. Please carefully review your child's report card, sign and return the brown envelope, **only** by **Monday, January 23h.** There is **no need** to return the bottom portion of your child's report card.
4. **Chapel Award~** Congratulations to Alexandria Melendes for receiving the chapel award this week!
5. **Report cards are coming home today.** Please sign the envelope and return it to class on Monday. Please let me know if you have any questions and would like to set up a time to meet. I am really proud of how hard the children are working this school year!
6. **Valentine's Day Party** is coming up. Please look for information to come home soon. We will be exchanging Valentines. I have attached the class list to this newsletter. Please have your child bring in a Valentine for each child in the class so that everyone feels included.
7. **A Heart Full of Love** went home last week. It would be great to have 100% participation so we can display them proudly in our class window. They are due on Monday, January 30th. (sooner is better.)
8. **Spell-a-thon packets were sent home last Friday.** The list of words that 3rd grade will be tested on are in the envelope.
9. **The spell-a-thon test will be given on February 3rd.** Please send the envelopes in on this day so that I can write your child's score. You can then begin collecting pledges and return the envelope with the monies by February 27th. Thank you so much for your help with this fundraiser!
10. **Math~** The students will continue to learn about division and we are on our way to long division. Knowing the multiplication and division facts very well will help each child feel successful when they learn the steps of long division.

Have a very blessed and restful weekend,

Mrs. Beall
