

Mrs. Hadley's Herald

January 6, 2012

Science, Science, Science!!

We have officially begun our preparation for our Annual Science Night/Open House. The students have been divided into six groups. Each group will complete a different science project and will relate what they discover to the rain forest. These projects will be completed entirely in class, and will be on display February 7th during our Open House/Science Night.

Happy New Year!! I want to thank you so much for your generous Christmas gifts, I was greatly touched by your kindness. I wish all of you happiness in this new year.

We are spending the month of January focusing on China. The China projects are due next Wednesday, January 11th. The students will share their projects with the class.

Monday, January 16th is Martin Luther King Jr. Day and there will be no school on this day. We will be spending some time next week talking about his life.

The end of the quarter is on January 13th. Report cards will be sent home the following week. On January 31st there will be an Awards Chapel for grades 3-5. The students that have made it on the honor rolls will be recognized for their academic accomplishments. Please plan on joining us on this day. It will take place in the gym at 1:00 p.m.

Because of Jesus,
Mrs. Hadley

IMPORTANT TO NOTE

- Don't forget about Multiplication Facts. The memorization of facts must be consistent and intentional every day for mastery to occur. Mastery is essential for promotion to fourth grade.

Feel free to contact me at Deborah.hadley@govcs.com. I will respond to you within 24 hours.

Dates to Remember:
China Project Due
January 11

Teacher In-service Day
(12:00 Dismissal)
