

The Kenyon Star

Special Announcements

1. Congratulations to Giuliana Bunce for receiving the "Patience" character award this week!
2. Thank you so much for your help with our service project! At last count we were able to fill and wrap 309 boxes for Mission Solano. Praise God for His goodness!
3. Please continue encouraging your child to work on their China Project. By now they should have found their resources and started filling in their information sheet. Remind them to use good, complete sentences. If you need another copy of the fact sheet, it can be downloaded from the VCS website under the 3rd grade page. This project is due Wednesday, January 11th. Please let me know if you have any questions.
4. In this Friday folder you will find an update on your child's progress toward their Accelerated Reader goal. They have until January 13th to reach this goal.
5. Starting in January we will begin talking about the scientific method. The students will be

December 16, 2011

divided into groups to complete a science project. These projects will be done entirely in class, and will be on display February 7th during our Open House/Science Night.

I wish you and your family a wonderful Christmas as you celebrate the birth of our Lord, Jesus Christ. I look forward to seeing you in the New Year!
