

# MRS. DALLENBACH'S FRIDAY FACTS

I trust you all had a wonderful Christmas and New year. **I WOULD LIKE TO THANK YOU SO MUCH FOR THE WONDERFUL CHRISTMAS GIFTS** you showered on me!!! I was "blown away!" ☺ We are just about half way through the school year, and we have many exciting events and activities planned for the months ahead. It's all going to be great!!! More details coming...

I have told the class that these next couple of months are the "meat & potatoes" of the 5th grade curriculum. Sometimes concepts are hard, but if we hang in there, we'll make it through to dessert!

You are invited to join us for our **Annual HISTORY BEE** on Tuesday, 1/17, at 9:30 am in the classroom. Details coming next week...

The students submitted their questions and are working on the research part of their **Science projects**. Students will be doing experiments that follow the Scientific Method. Their 10 facts about their topic are due on Thursday. Then they will write a hypothesis here in class.

On **Tuesday, January 24**, during the school day, the 5th graders will be visiting **6th grade** classes to get a "taste" of Middle School. That evening will be an Orientation Night. Students enjoy this day; however, I tell them they're still mine until June! More information will be coming soon!

Next Friday, 1/13, is the end of the 2nd quarter. Please check with your child about his/her **Accelerated Reader Goal**...

January 6, 2012

Volume XII, Issue 15

**BIBLE VERSE**  
Review Lessons

**SPELLING**  
**REVIEW**  
**Lesson 18**

I LOVE 5TH GRADE!!!
