Helpful Review Websites

So far in class we
have used:

www.multiplication.com

www.mathplayground.com

Try them out and let me know what you think. Also, please let me know if you find other sites that may be helpful reviewing and practicing 5th grade concepts.

Another site is www.funbrain.com (useful for Reading, Language and Math!)

Hiking Field Trip

We are looking forward to our Fitness Hike with Mr. M! If you signed up to drive, please be at our room by 8:20. We will be leaving at 8:30 and will return by 9:45. Students may wear comfortable hiking clothes, but should bring their uniform to school so that they may change upon our return.

Panoramic Picture

Don't forget to turn in your order for the 5th grade panoramic picture on Monday. Late orders are not accepted by Life Touch. This is a great way to remember all students that are in 5th grade as well as the teachers, TAs and principals.

Memory Verse:

“But he knows the way that I take. When he has tested me, I will come forth as gold. My feet have closely followed his steps; I have kept to his way without turning aside.”
