care available

PowerSchool

PowerSchool should be up and running for you again. Please check frequently so there are no “surprises.” If you have any questions or concerns, please contact me so that we can find solutions to potential problems before they even arise.

Multiplication Review

We are still multiplying! One website we checked out in class was www.mathplayground.com. The students seemed to enjoy it!

Zoo Field Trip

Thank you to all the parents who helped out on our Zoo trip! I appreciate your help. I am sure that being “interviewed” by Fox 40 was definitely the highlight of their trip!

JJ's Journey

Our class has been praying for JJ, a 7 year-old boy who was recently adopted from China by some military friends of mine. Some of you may be encouraged by God’s miraculous working in this young boy’s life. It has been quite a faith building experience for our class. The blog is www.cheaperbythehalfdozens.blogspot.com.

Camp South Africa

Our 5th grade missionaries were with us in Chapel this week. Ask your student what they learned and how we can be praying for this incredible ministry.

“And who knows but that you have come to royal position for such a time as this?”

Esther 4:14
