Proud Home of the Falcons!
E-Bulletin for November 10, 2011*

**“Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.”
I Thessalonians 5: 16-18**

This passage on prayer (specifically vs. 17) is the theme of our new VCS Prayer Bracelets that are being distributed to all VCHS students today in their Bible classes. Parents who want a Prayer Bracelet may pick one up, for free, in the HS office. This is a visible reminder to pray, on an ongoing and continual basis, for the following things.

Pray for:

- God’s continued blessing over our school and provision for it.
- God’s healing on behalf of our students with serious illnesses.
- God’s salvation for those who may not know him who are students here.
- God’s hand of protection over our campus (safety, no injuries, etc...)
- God to bring spiritual revival in our hearts and on our campus.
- God to be honored and glorified by all that goes on in this place.

The Staff and Students of VCS extend their heartfelt thanks to the brave men and women of our US Armed Forces who have served and fought in defense of freedom and liberty in the past as well as those currently serving and protecting our great nation!

We honor and appreciate our Veterans and their families! ☺

All VCHS families are asked to fly an American flag proudly on Veterans Day, and every day, and to pray for our Veterans and their

families. May God's blessing rest upon our nation and protect our troops at home and abroad and those who wait for them at home.

In Honor of Veteran's Day, VCS is not open on Friday.

College Information Section

Crucial Reminder: All California State University (CSU) and University of California (UC) Applications are due by November 30th.

It is highly recommended that you do not wait until the last couple of days to submit such applications, however, as there have been cases in which applications did not get through

because of a large volume!

Please request all transcripts and teacher recommendations via Naviance. If you have any questions, please see Mr. Rowland.

Please see information below from Sacramento State for further information about submitting applications to the CSU campuses and a Workshop they offer.

WESTERN UNDERGRAD EXCHANGE

What is WUE?

If you are a resident of a WICHE state, you are eligible to request a reduced WUE tuition rate of 150% of the resident rate at one of the 145 participating schools in the West. Search the WUE database(see below) to see which institutions participate, and which programs they have available at the WUE rate.

WICHE states include: Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, Wyoming.

For information regarding the 145 plus member institutions, please visit <http://wue.edu/search1.jsp>.

The WUE reduced tuition rate is not automatically awarded to all eligible candidates. Many institutions limit the number of new WUE awards each academic year, so apply early! Consult each institution's profile for admissions requirements and application deadlines.

How do I apply to get the reduced tuition rate?

Apply for admission **directly to the WUE institution(s)** of your choice. There is no general WUE application. If the institution that you are applying to uses a hard copy application, mark prominently on the form that you seek admission at the WUE rate. For online applications, check the WUE box and if there is not one provided, contact the

school admissions office on how to apply for the WUE discounted rate.

Although some institutions automatically consider applicants from a WICHE state for the WUE rate, most require that you request the special WUE rate at the time of application for admission, or that you apply for the WUE rate through their scholarship or financial aid office.

New Application for your iPad

Please download this \$2.99 application to your son/daughter's iPad if possible by next Wednesday. Our wonderful gentlemen in IT have discovered a way for the students to be able to send files to the course dropboxes in Moodle, through the Dropbox app they already have, by using the moodleEZ application, and not need to rely on emailing files.

As you will recall at the beginning of the year, we promised not to go over \$50 total for the year in applications to install. To date, we are at approximately \$38 for all of the common applications for everyone. This will bring our total to \$41. ☺

Thank you very much!

Service Hours - 10 Due before Christmas

This is a reminder to students that they will need to turn in a minimum of 10 service hours (on the correct form and with the short answer responses answered and attached) to their Bible teacher no later than the date of their Bible final (before Christmas). Don't wait till the last minute. This is a Bible class requirement and counts 15% of the Bible class grade. Our goal is to learn to prioritize serving others and encourage students to volunteer at the church, at school, and in their community.
