

## **VCS COLLEGE GUARANTEE**

VCS students don't just learn, they live out their dreams to make them a reality...a guaranteed promise! VCS students are tomorrow's leaders forging a pathway of excellence, never settling for average but always raising the bar for moral and academic standards. Are you tired of your child being lost in the crowd? VCS allows your child to be the uniquely gifted individual they were created to be. We guarantee they will meet their college potential.

VCS is offering a College Guarantee which consists of a refund of your student's senior year tuition if he or she is not accepted to a four-year college.

To be eligible for the VCS College Guarantee:

1. Your son/daughter must attend Vacaville Christian High School for four continuous years beginning with the 2010/2011 school year.
2. Your son/daughter must follow the academic recommendations of VCS (scheduling, taking a-g required classes, progression of classes, tutoring if required, testing, attending informational sessions, taking advanced placement classes, remediating classes in summer school if required, etc...)
3. Your son/daughter must fulfill VCHS' graduation requirements, earn a minimum GPA of a 3.0 (for a CSU, minimum of a 3.5 for a UC), with no semester grades of a D+ or below. Admission to a UC generally requires a GPA of 3.8 or above, and for some UC campuses the average GPA of a freshman is 4.15 or above.
4. Your son/daughter must be a student in good standing at VCS and have no disciplinary or conduct problems.
5. Your son/daughter must take the PSAT, EXPLORE, and PLAN tests offered at VCHS, as well as taking the Scholastic Achievement Test (SAT) with the writing component twice and a minimum of two Subject Area SAT 2 tests. For some universities, the ACT with writing component may also be required. Students are responsible for sending their SAT, SAT 2, and ACT scores to the universities where they apply.
6. All tuition and fees charged by VCS must be paid at the time of graduation.
7. Your son/daughter must provide VCS with proof of on-time application to a four-year college or university that was recommended by VCS in addition to the colleges of their choosing.

8. Your son/daughter must provide VCS with proof of denial for admission to all the colleges they applied to stating they were denied due to academic rigor of courses or academic deficiency.
9. The information will be reviewed by the VCS Finance Committee for final determination if a tuition refund is warranted and if all of the requirements of the College Guarantee program have been met.

We believe in the academic, spiritual, fine arts, social, physical development / athletics program provided here at VCHS! We invite you to take us up on our College Guarantee!
